

REMARKS

Applicant thanks Examiner Ouellette and John Weiss for their time and consideration in conducting the personal interview on October 13, 2004. Applicant hereby adopts the Examiner's interview summary. However, Applicant respectfully notes that agreement was not reached as to the pending claims. The Examiner maintained his rejection from the Final Office Action (mailed July 28, 2004), and Applicant maintained that the applied *Dewar* reference fails to anticipate the claims.

Applicant submits this amendment accompanying the Request for Continued Examination (RCE) to add the new claims 88-101. At least some of these new claims are believed to include elements substantially as suggested by the Examiner in the interview of October 13, 2004. Also, claim 84 is amended herein to correct a typographical error. This amendment to claim 84 is not made for purposes of patentability and is not made to narrow the scope of this claim, but is rather intended solely as a cosmetic change.

Additionally, Applicant maintains that the previously presented claims are not anticipated by *Dewar* at least for the reasons previously advanced by Applicant. However, Applicant intends to antedate the filing date of *Dewar* by submitting a declaration in accordance with 37 C.F.R. § 1.131. Such affidavit will be forthcoming.

The required fee for this response is enclosed. If any additional fee is due, please charge Deposit Account No. 06-2380, under Order No. 59428/P001US/10020580 from which the undersigned is authorized to draw.

Dated: October 28, 2004

Respectfully submitted,
